Dear EPA and ATSDR:

Attached is the brief summary of yesterday's phone call. I know it will need some changes. Please feel free to FAX them back here, attention Louise Smart, who will be facilitating the next call on 8/26 Thursday, from 9:30 to 10:30 am MST. (Note, she has just one hour for the call.)

Mary Margaret

A handwritten signature in black ink, appearing to read 'Mary Margaret Golten', written over a horizontal line.

Note: We are using FAXes this time, in addition to e-mail, because of temporary e-mail problems last week.
